Sri T. SUBRAMANYA.—It is for the convenience of the exporters. Incidentally we get some rent also.

Dr. R. NAGAN GOWDA.—With reference to the answer to—the answer is dated 2nd September 1958 and we are nearing 2nd November 1953 ; in view of the fact that the Japanese, Czechoslovakians and Italians are exporting iron ore through this port, may I know whether the Government has come to a conclusion in the matter of supplying these conveniences to this port making it a modern port ?

Sri T. SUBRAMANYA.—We have all schemes ; they are pending before the Government of India and the latest information I hear today is that for all our proposals sympathetic consideration has been given by them. It is not very authentic. As early as possible all these ports will be developed.

Sri S. D. GAONKAR.—Are the Government aware that the exporters are experiencing many difficulties as they have to load in mid-sea ?

Sri T. SUBRAMANYA.—I know the difficulties.
